Le Petit Salon's Signature Pedicure is designed to deliver a luxury spa experience that will leave you feeling pampered and refreshed, with beautifully soft and perfectly polished feet. Our secret recipe combines the soothing elements of a fragrant French *jardiné*—flowers, aromatic herbs, and luxurious treatments. Designed to evoke the beauty and tranquility of a French *jardiné*, our Signature Pedicure offers relaxation, hydration, and indulgence for your feet, making it the perfect experience for clients who love elegance, calm, and a bit of French floral luxury.

Le Petit Salon's Secret Foot Soak: Our warm secret foot soak help to soften and hydrate the skin, while the natural aromatherapy relaxes the mind and body while rejuvenating and uplifting the spirit.

Exfoliating Scrub: Our scrub is enriched with natural oils to nourish and hydrate while removing dead skin and softening the feet.

Soothing Foot Mask: Your feet are then pampered with a luxurious foot mask, designed to deeply nourish. The hydrating properties combined with the soothing effects of lavender work to calm the skin while adding an extra dose of moisture, leaving feet feeling soft, silky, and revitalized.

Callus Treatment: Our Callus Treatment is a luxurious and effective solution designed to smooth and rejuvenate rough, thickened skin on the feet. Using advanced exfoliating techniques and nourishing products, this treatment targets calluses and dry patches, leaving your feet feeling soft, refreshed, and pampered. Ideal for those with hardened skin or rough spots, this service offers a gentle yet thorough approach to foot care, ensuring a smooth and healthy appearance.

Paraffin Wax Treatment: Further enhance your experience by dipping your feet into our warm paraffin wax treatment, a deeply moisturizing treatment to lock in hydration, leaving your feet soft and silky.

Warm Towel Wrap: Relax your feet with a heated towel wrap to further enhance relaxation. Your feet will absorb the nutrients, leaving them soft, hydrated, and glowing.

Foot and Calf Massage: This relaxing massage promotes circulation, reduces tension, and soothes tired muscles, leaving your feet and legs feeling light, refreshed, and pampered.

Nail & Cuticle Care: Your nails will be meticulously manicured, with expert trimming, shaping, and cuticle care. This process uses high-end nourishing oils to hydrate and repair the cuticles. The focus is on a flawless finish, ensuring your nails are in perfect condition.

Luxury Polish: A perfect polish application with your choice of lacquer.
